

IS CANDY A HEALTH FOOD?

If the roof is red,
what color is the chicken?

If a teacher says you're talented,
will you believe her?

When did the stairs get so steep?

Why aren't high heels illegal?

Who's in charge here?

WHEN DID THE RULES CHANGE?

Is candy a health food?

What is the difference between
a rock and a hard place?

MAY YOU HAVE GOOD HEALTH
AND LONG LIFE

ARE YOU READY FOR DESSERT?

MAY YOU HAVE GOOD HEALTH
AND LONG LIFE

**ANY FRIEND OF YOURS

Pack for a trip
STAMP AWAY THE BLUES

you are?

wear a bikini in public

When did the rules change?

If you could fly, who would be your co-pilot?

mother

If it's a bad hair day,
what kind of cookies
makes it better?

If there were no stars,
what kind of flashlight
would you carry?

If your watch stops,
is it still time to go?

STAMP AWAY THE BLUES

If your pie crust is flaky,
does it mean you are?

If your dog could talk,
what would he say first?

Why do chocolate chips
come in such small bags?

When did I start to
look like my mother?

When did I start to
look like my grandmother?

When did my slacks shrink?

HERE?

If a teacher says you're not talented,
will you believe her?

If the rainbow ends next door,
what is around the corner?

If the man of your dreams arrives,
do you want to wake up or not?

If your pants have no pockets,
where do you put your seashells?

If you could swim like a fish,
would you wear a bikini in public?

If a chocolate bunny is hollow,
why does it still have calories?

If elephants had no trunks,
how would they pack for a trip?

If it's raining,
where do you have the picnic?

If you got to paint the rainbow,
would you change the colors?

If crossword puzzles were easier,
would they be any fun?

If bakers wore rhinestone tiaras,
would the bread still rise?

If elephants wore ballet shoes,
would gazelles dance with them?

Why are drawers always full?

If you could dance like Ginger Rogers,
would you wear red shoes?

If you could write a message in neon,
what would it say?

If trees were people,
who would you plant in your yard?

*Who's
in charge here?*

If you colored all fruits purple,
would they taste like grapes?

If your friends could see inside your heart,
would they already know what's there?

If tree surgeons were sculptors,
would log cabins have fancy doors?

If you hid the cookies from yourself,
would you remember where to look for them?

*look
color*

Are you ready for dessert?

Any friend of yours
is a friend of mine

If apples were blue,
would teachers still like them?

Where did I misplace my optimism?
